Preferred activation date (Allow 7 working days)

_____ Or ASAP

Whilst we will try our best to accommodate your activation date preferences, we may need to offer you an alternative date if your first choice isn't available.

3. Lines to be converted

Please provide the details of the line that you would like to convert to the Max service. If you are converting an ISDN, Home Highway or Business Highway line then BT will add a conversion charge to your phone bill (this does not apply to analogue lines). Contact BT 150 or 152 for the current price.

The line that to be converted must not be being used with BT special services, like alarm monitoring, private metering, private circuits, PBX systems etc. Your Red care alarm system may now be compatible.
