8. Transfer Information

. uk domains

The IPS tag will be changed to Griffin on

____ / ____ / ____

.com/.net/.biz/.org/.uk.com domains

I confirm the domain is now active (not on registrar lock) and that the email address is currently active and will be responded to.

Please note we will try a maximum of three times to transfer the domain. If the transfer request is still unanswered further transaction charges may be levied.

9. Domain Forwarding Information

Griffin Internet provides as a minimum service DNS hosting (price as per current price list). This includes web and email forwarding and full DNS control through their Customer Control Centre.

I would like:

Web forwarding to:

www._____.

or to IP Address _____.

Email forwarding to:

_____@_____.

None of the above, I will take out extra hosting listed in section 10 below.

Please note that forwarding of email to an IP address requires the SMTP mail feed service.

10. Additional Hosting Services

- x _____ POP3 Mailboxes
- 1 x POP3 catch all address
- SMTP Mail Feed
- SMTP Mail Feed to
_____.
